AMENDMENT C (AFTER FINAL)

Sir:

In response to the Final Rejection of October 18, 2002, please enter the following amendment in the above-identified application:

IN THE CLAIMS:

Please amend the claims as follows:

D 1
36.(Twice Amended) A method of manufacturing a display device comprising the steps of:
forming a thin film transistor over a substrate;
forming a pixel electrode electrically connected to the thin film transistor;
forming a body with a textured surface on the pixel electrode by a photolithography; and
forming a light reflection film on the body with the textured surface.
